Know the Rules
For a complete listing of parking and traffic regulations, visit the UPS website at www.parking.ttu.edu
• Any vehicle parked on the Tech campus must have a permit. Visitor permits can be obtained at any of the seven entry stations to campus.
• Visitor permits are only good for one day. If you plan to be with us for more than one day, please obtain a new visitor pass each day.

Understanding Signs and Curbs
• There is not a sign for each space, but each space is in an assigned area.
• Many lots have reserved spaces and area reserved spaces.
• Vehicles stopping, waiting, or parking in service vehicle, bus stops or no parking* will be cited.
• Parking is strictly enforced 24 hours a day, 7 days a week, including interims.
• The speed limit on campus is 20 mph at all times. In parking lots, the speed limit is 10 mph.
* The absence of signage does not indicate permission to park. You must only park in spaces designated as visitor or paid lot.

What if I Get a Parking Ticket?
• The back of the ticket describes options for payment.
• Payment or appeal must be submitted within 10 calendar days after the issuance of the citation.
• At the discretion of Texas Tech, overdue citations may be adjudicated in a court of competent jurisdiction in accordance with Article 51.208 of the Texas Education Code.
• The vehicle owner is held solely responsible for all added collection agency fees and/or reasonable attorney’s fees.
• Violators who accumulate six or more outstanding citations may have their vehicle booted or towed.
